Wisconsin Administrative Code
Ordering Information and Price List for 2013

The Wisconsin Administrative Code is published and distributed as directed by Section 35.93 and Chapter 227 of the Wisconsin Statutes. The complete code consists of loose-leaf binders containing all "Administrative Rules" of state agencies. A separate set containing rules of the Safety & Bldgs. Division in the Department of Safety and Professional Services and selected rules of the Department of Workforce Development is also available.

As rules are created or amended, newly printed sheets are prepared. New or amended rules are automatically mailed near the end of each month to subscribers of the supplemental service.

Subscriptions to Supplements for CodeBooks are available for a twelve-month period, which may start in any month. Expiration dates are shown under the "Expire Date Column" on the renewal notice. Subscriptions, which are not renewed, automatically will expire one month after renewal notices are mailed. **No second notices will be sent.**

Individual CodeBooks may be purchased as a single-sale item. Books are always current at time of sale.

The **Administrative Register - Notice Section and Emergency Rules (#R)** provides information as to creation, amendment, or repeal of Administrative Rules. Included also are "Notice of Hearings" scheduled as well as "Emergency Rules" in effect. The Administrative Register is issued twice monthly.

The Register is automatically provided to subscribers of the complete Code (#A) Supplements. The Register is also provided to subscribers of Individual Code Supplements that are affected by the Register's contents that month. Subscriptions for the Register only are also available.

Prices for Calendar Year 2013 are shown in the following pages. These reflect, as near as practical, actual costs of manufacturing, handling and distribution. Prices for certain items have been adjusted to reflect volume and activity changes. An attempt has been made to hold the line as much as possible. Prices and code format are subject to change without notice. No refunds for subscriptions will be granted per Wis. Stats. S.35.93 (7).

Free distributions are limited strictly to those cited in Wis. Stats. S.35.84(2).

Renewing: Please use **"Renewal Notice"** form. All subscriptions and sales are subject to 5% state sales tax, 0.5% county sales tax, and 0.1% stadium tax, where applicable. **A $2.50 Credit card fee will be charged on visa or master card payments.** If you have questions please phone: (608) 266-3358 or 1-800-362-7253. .

This form can be made available in accessible formats to qualified individuals with disabilities upon request.
