

Internal Volunteer Employee Assistance Program

Deer Oaks' Employee Assistance Program (EAP) service augments the internal EAP program that consists of selected, trained department employees that serve as resource coordinators. The EAP resource coordinators help department employees identify the troubling issues and provide community resources that might be able to help. All contacts with the EAP program and resource coordinators are voluntary and confidential within the limits specified by law.

EAP Resource Center:

The Employee Assistance Program Resource Center offers a wide variety of books, brochures, audio tapes and videos from a large range of topics for employees to check out for personal use. The Center is located on the 9th floor of the Administration Building at 101 E. Wilson Street in the Bureau of Personnel. For a full listing of resources available, click on [EAP Resource Center Catalog](#). If it is uncomfortable or inconvenient to peruse the material in the EAP Resource Center, arrangements can be made to have one or more of these items sent to you inter-d by contacting Bureau of Personnel staff.

The Statewide Employee Assistance program operates under Executive Order #35 from the Office of the Governor of the State of Wisconsin.
